YOUR CERTIFICATION IS ABOUT TO EXPIRE!

May 2020

Dear Certified Ambulatory Surgery Sterile Processing Technician:

Your 2015 certification or certification renewal expires in October 2020. This notice serves to officially request your documentation that you have *maintained your certification over the past five years*.

Please read the enclosed material carefully. Also, make sure that you have enclosed all the necessary documentation and fee for re-certification. We have made a check off sheet to assist you in this process. **Please note, the cost to re-certify is now \$100 if paying by money order and \$103 if paying by credit card. Also please note that a \$50 administrative fee will be retained by the CBSPD on any re-certification applications that are sent to the CBSPD for review and do not meet the criteria for re-certification. Candidates will receive a refund of \$50. This fee is necessary to cover the costs of mailing the packets, follow-up telephone calls and letters, supplies for processing the applications, and the extended time it takes to review the packets. THE REVIEW PROCESS TAKES AT LEAST 30-45 DAYS from the time the CBSPD receives your packet. ***We have a new service for a quicker review of your re-cert packet. With our expedited service (\$50 extra charge), when we receive your packet, it will be processed within 48 hours and your results will be sent to you via priority mail (2-5 days). This only applies to re-cert packets that meet the CBSPD re-cert requirements and do not have any missing or unapproved ceu's included. If your re-cert packet has any problems, the CBSPD will contact you by mail.**

****A certificate of Excellence will be granted to any CASSPT for submitting 20 additional CEU points than needed (total of 120+ points submitted). All the education points submitted must be pre-approved by the CBSPD or have a valid CBSPD approval code or they will not be considered.**

****Any material (certificate or Ongoing CEU Record) submitted without the individuals name will not be counted.**

We are requesting that all information be submitted as early as possible to allow for the review process to take place. **ALL APPLICATIONS MUST BE RECEIVED IN OUR OFFICE NO LATER THAN 9/22/20.** The postmark date WILL NOT BE considered. However, it is strongly recommended that you file your application as early as possible so if there is any additional verification needed, you will have sufficient time to get the information back to us before your certification expires.

If you have any questions, please call the CBSPD office at 908-236-0530. Include in your message your name, telephone number with area code, and the best time of the day to reach you. You may also e-mail us at mailbox@sterileprocessing.org.

****All re-certification packets are reviewed individually in order of receipt and the review process takes AT LEAST 30-45 DAYS from the time it is received in the CBSPD office.**

****IN THE EVENT YOU CANNOT MEET THE DEADLINE DATE, YOU MUST WRITE TO THE CBSPD AT LEAST 14 DAYS BEFORE THE DEADLINE DATE REQUESTING AN EXTENSION. State why the extension is needed and the length of time being requested (30, 60, or 90 days). No requests for extensions will be given over the telephone. The CBSPD Board will review all requests and provide a written response within 48 hours of receipt of the request. Any certificant who receives a Board-approved extension must have a copy of the extension approval letter attached to their application form or the application will be rejected as received after the deadline.**

****If a re-certification application is denied, or any disciplinary action is taken against an applicant, they will be notified in writing within 10 business days of the decision/action and offered the option to appeal the decision to the CBSPD Board of Directors. This appeal must be in writing and submitted within 10 business days of notification of the denial or action taken. The Board will review the appeal and provide a written decision within 10 business days of receipt of the appeal.**

NOTE: if you fail to re-certify, you must re-take and pass the certification exam again. In this situation, you do NOT want to use this packet to sign up for the exam. Please contact the CBSPD office and we will send you an exam application.

Thank you in advance for your cooperation and good luck.

Sincerely,

CBSPD Board of Directors

IMPORTANT INFORMATION PLEASE READ

Changes taking effect immediately

1. We now accept credit cards as payment for re-certification. Please see the form within this packet to fill out and send in with your packet and paperwork. **Extra fee applies.
2. ***NEW expedited re-cert review service (\$50 extra). Once we receive your re-cert packet, we will process it within 48 hours and send back the results to you via priority mail (2-5 days). This only applies to re-cert packets that meet the CBSPD re-cert requirements and do NOT have any missing or unapproved ceu's included.

To avoid delays in processing your re-certification application, please note the following:

1. Please remember that all continuing education points must be pre-approved by the CBSPD Continuing Education Committee **OR THEY WILL NOT BE CREDITED TOWARDS YOUR RE-CERTIFICATION.**
2. Please check all your Seminar/Journal certificates to make sure they have a CBSPD Approval Code # on them with the number of points awarded by the CBSPD **as well as your name printed on the certificate.** Pre-approved programs/journals should be noted as such and do not have a code#. If any information is missing, do not submit it with your packet since it will be deemed incomplete.
3. The CBSPD will not accept departmental in-services that have not been previously submitted to the CBSPD for approval. All in-services must be documented with the date, topic, and CBSPD Approval Code # with the number of contact hours awarded.
4. **There are In-services/Programs found in multiple journals and on certain websites** that have been pre-approved for a period of five (5) years from date of publication. These printed in-services are to have the statement (this in-service has been pre-approved by the CBSPD for ____ Hours.) Always verify the in-service has been approved by the CBSPD. You need to have a signed certificate from your Head Nurse or facility Administrator with your name, the name and date of the publication, the title of the in-service, and the date completed. This certificate verifies that you have successfully completed the post-test. **If you have several post-tests**, then have your Head Nurse or facility Administrator download our **Ongoing CEU Record** (www.cbspd.net/ongoing-ceu-record-download/) or develop a custom form on facility letterhead. The form must contain a listing of each post-test passed including the date the post-test was taken, title of the in-service, title of the journal, date of the journal, your name, and a signature by your Head Nurse or facility Administrator which shows that you passed each post-test. If the in-service/post-test is pre-approved and does not have a code, please note this. If the in-service was submitted for approval, please supply the approval code and amount of points awarded by our CEU Committee. Each in-service is to be used only once during a 5 year re-certification period. ***Managing Infection Control, HPN (all except the Purdue Self Study Series - those have approval codes or are being submitted with the certificate from Purdue), Infection Control Today, iceinstitute.com, ASHCSP Newsletter and Natalie Lind's website e-CSPD.com all have pre-approved in-services.***
5. **Published or Internet In-services/Programs, Podcasts and Webinars** that offer CBSPD contact hour options that have been reviewed by the CBSPD CEU Committee for the organization providing the in-service/program. There must be a statement that the CBSPD has reviewed and approved the in-service/program. The directions to obtain the CBSPD approval code number from the sponsoring organization that are published with these in-services/programs must be followed. Each in-service/program is to be used only once during a 5 year re-certification period.
6. **Published or Internet In-services/Programs, Podcasts and Webinars** that do not state they offer CBSPD approved or pre-approved contact hours may be submitted to the CBSPD CEU Committee for review and would be handled as departmental in-services.
