PURPOSE: Recertification encompasses the requirements and procedures established as part of a certification program that certificants must meet to maintain competence and renew their certification.

RE-CERTIFICATION - Initial certification is valid for five (5) years. The CBSPD's Board identified that the usual period for significant change in technology/knowledge for our profession is five years (similar to AORN, APIC), and therefore the Board determined that five years is an appropriate cycle. Re-certification requires an accumulation of 100 points over the 5-year period. There is a \$100 fee for re-certification for the next five years. You are responsible to maintain your points for the entire 5-year period. The CBSPD will send you a re-certification packet six months before your expiration date at which time you will send in all of your CBSPD approved points. If you do not receive this packet, please contact our office. The CBSPD Board of Directors requires that all Continuing Education (CE) programs be pre-approved and program content be concentrated in subject areas directly related to the examination outline as described in this bulletin. Go to "CEUs" on the "Resources" menu on our website (www.cbspd.net/about-ceus/) and submit your programs on-line or print out a copy of the CEU packet which contains the forms and procedures for submitting programs for review. Also see the "Inservice Resources" page (www.cbspd.net/inservice-resources/) for sources of CEUs. Please don't hesitate to contact us to have your in-services reviewed for approval. **Approval time takes 4-6 weeks.**

The points for re-certification can be accumulated as follows:

- **Adult or Continuing Education:** - These programs are defined as programs that extend over multiple days/weeks that cover exam content material but do not qualify as a "college" course. The course must be taken during the certificant's 5-year re-certification period. **You need to provide a copy of a certificate of completion for the course** at the time of re-certification that includes course title, location and dates the course was taken. Programs in the following areas will be accepted: Roles and Responsibilities (QA, Administration and Organization, Safety), Life Science (Anatomy, Physiology, Microbiology), Decontamination and Disinfection, Preparation and Handling, Sterilization, Sterile Storage, Patient Care Equipment and Ethics. These programs will be awarded one (1) point per contact hour for a **maximum** of five (5) points per re-certification period.
- **College courses** will be awarded one (1) point per credit hour with completion of the course with a grade of a "70" or better, to a **maximum** of 10 points per re-certification period. Proof of attendance and grade will be necessary at the time of re-certification. **Examples of approved courses are:** Biology, Chemistry, Safety, Anatomy/Physiology and Microbiology. Other courses should be submitted to the CBSPD for consideration. **The course must be taken during the certificant's 5-year re-certification period.**
- **There are In-services/Programs found in multiple journals and on certain websites** that have been pre-approved for a period of five (5) years from date of publication. These printed in-services are to have the statement (this in-service has been pre-approved by the CBSPD for Hours.) Always verify the in-service has been approved by the CBSPD. You need to have a signed certificate from your manager or supervisor with your name, the name and date of the publication, the title of the in-service, and the date completed. This certificate verifies that you have successfully completed the post-test. **If you have several post-tests**, then have your manager or supervisor download our **Ongoing CEU Record** (www.cbspd.net/ongoing-ceu-record-download/) or develop a custom form on facility letterhead. The form must contain a listing of each post-test passed including the date the post-test was taken, title of the in-service, title of the journal, date of the journal, your name, and a signature by your manager or supervisor which shows that you passed each post-test. If the in-service/post-test is pre-approved and does not have a code, please note this. If the in-service was submitted for approval, please supply the approval code and amount of points awarded by our CEU Committee. Each in-service is to be used only once during a 5-year re-certification period. *HPN (all except the Purdue Self Study Series - those have approval codes or are being submitted with the certificate from Purdue) and the CBSPD Newsletter, "The Criterion" have pre-approved in-services.*
- **Published or Internet In-services/Programs, Podcasts and Webinars** that offer CBSPD contact hour options that have been reviewed by the CBSPD CEU Committee for the organization providing the in-service/program. There must be a statement that the CBSPD has reviewed and approved the in-service/program. The directions to obtain the CBSPD approval code number from the sponsoring organization that are published with these in-services/programs must be followed. Each in-service/program is to be used only once during a 5-year re-certification period.
 - a) Certificant will be required to submit the education certificate from the sponsoring party showing: Certificant's name, title of webinar or podcast, number of contact hour(s), date of education, CBSPD approval code and electronic signature of an authorized representative of the company.
 - b) Some sponsoring parties only furnish a certificate in education with their branding, the certificant's name, title of webinar or podcast, number of contact hour(s), date of education and CBSPD approval code and no signature. In these cases, this documentation will be accepted by the CBSPD for approval.
- **Published or Internet In-services/Programs, Podcasts and Webinars** that do not state they offer CBSPD approved or pre-approved contact hours may be submitted to the CBSPD CEU Committee for review and would be handled as departmental in-services.
- **Departmental in-services:** Only those in-services directly related to the exam outline will be considered. The in-services

must be submitted to the CBSPD Continuing Education Committee within 30 days of the in-service for approval.

- **Chairing or serving on committees or holding office in a local, state, and/or national level of an SPD related healthcare professional organization.** Serving on a committee will be awarded 2 points per year for a **maximum** of 10 points per re-certification period. Chairing or holding office on a committee will be awarded 4 points per year for a **maximum** of 20 points per re-certification period. **Serving or chairing on a committee or holding office must be during the certificant's 5-year re-certification period.** A letter printed on the organization's letterhead stating the dates served, listing the office held, committee chaired or committee served on will be needed. A letter signed by an organization officer other than the certificant will be needed. **Credit may be given to the same person for serving on a committee as well as chairing or holding office on a different committee during a five-year re-certification period.**
- **Submitting test questions:** For every 5 (five) test questions **submitted and accepted by the Item Review Committee**, 1 contact hour will be awarded for a **maximum** of 15 points per re-certification period. Each question submitted must be relative to the exam content outline, must specify which test it was written for, have current references and four possible answers with the correct answer identified. A certificate from the Item Review Committee will be sent once the questions are accepted.

VERIFICATION OF EMPLOYMENT in SPD (Department or Sales):

Mandatory annual safety training (i.e. Joint Commission (JC), Fire Safety) is not accepted for CEU points. These topics are considered part of the points you earn for working full time or part time.

(Points awarded after passing the exam). Full time: 10 points per year; Part time (at least 20 hours per week): 5 points per year, Per diem (at least 6 days per month): 3 points per year. **THE MAXIMUM POINTS ALLOWED FOR EMPLOYMENT OVER THE FIVE YEARS IS 50. THE MAXIMUM POINTS PER YEAR FOR WORKING IS 10.** If employment is not for a full 12-month period, the time will be prorated by the month.

Attach original letter(s) on your facility's letterhead signed by Human Resources verifying your length of employment and indicate status (i.e. full time, part time, per diem) during the 5-year period. Attach this documentation to the Length of Employment form, which is part of the re-certification packet.

Applicants may request an extension of their re-certification deadline. The candidate is advised to submit a letter to the Board of Directors which must be received no later than 14 days prior to their re-certification deadline. The letter must provide documentation why the candidate is unable to recertify within the specified time frame and the length of time for the extension (e.g. one month). No requests for extensions will be given over the telephone. The CBSPD Board will review all requests and provide a written response within 48 hours of receipt of the request. Any certificant who receives a Board- approved extension must have a copy of the extension approval letter attached to their application form or the application will be rejected as received after the deadline.

DUE PROCESS: If any candidate feels their re-certification was denied unfairly, they are advised to provide their grievance, in writing, to the CBSPD Board of Trustees, within 10 days of the notification of re-certification denial. The CBSPD Board of Trustees will review all grievances and investigate accordingly. A response will be provided, in writing, within 10 business days of receipt of the grievance. The Office Director will refer the matter to the Board of Trustees, if indicated. The CBSPD's decision will be final.

IF YOU ARE NOT RE-CERTIFIED BY YOUR DESIGNATED EXPIRATION DATE, NO EXTENSION WILL BE GRANTED AND YOUR CERTIFICATION WILL EXPIRE. IT WILL BE NECESSARY TO RE-REGISTER FOR THE EXAM, PAY THE EXAMINATION FEE OF \$125, RE-TAKE THE ENTIRE CERTIFICATION EXAMINATION AND PASS THE EXAMINATION IN ORDER TO RE-CERTIFY. FURTHER INFORMATION ABOUT RE-CERTIFICATION WILL BE PROVIDED TO CERTIFICANTS UPON SUCCESSFUL COMPLETION OF THE EXAMINATION.

OVERVIEW OF THE TECHNICIAN EXAMINATION - The 2018 Job Analysis study has been updated every 5 years to further define the role of sterile processing and distribution/central service technicians having one year of experience in the field. The information gained from the survey is taken from data collected from a complete cross-section of professionals in the field and is used to develop the examination specifications.

The certification examination for sterile processing and distribution technicians is composed of 100 multiple-choice questions which are developed by the CBSPD Item Review Committee. This is an international certification exam which the candidate has

2 hours to complete. The exam is given via computer at PSI Services testing centers. Countries where computer-based testing is not provided by PSI Services will have the exam given via paper-pencil at CBSPD approved test sites.

HOW TO PREPARE FOR THE EXAMINATION - To help ensure adequate preparation for taking the certification examination, the following suggestions should be helpful:

1. Review the current examination outline that follows. Indicated in parentheses are the percentages of the total examination that are allotted to each major content area.
2. The information listed below may prove helpful in the review of the subject areas included on the examination.
NOTE: The purchase of the study material, books or courses is optional and not required to take a CBSPD examination. CBSPD does not endorse these materials, and they are not the best or only means of preparation for the Technician exam.
 - **Take advantage of the CBSPD Technician Study Guide.** The CBSPD has prepared a Study Guide to assist in preparing to take the Technician Certification Examination. THIS IS NOT A TEXT BOOK, BUT A GUIDE WHERE ALL CONTENT AREAS ARE COVERED COMPREHENSIVELY. Sample questions and test taking techniques are discussed. A Study Guide Order Form is included at the end of this Candidate Informational Bulletin.
 - The CBSPD website (www.cbspd.net/spd-courses/) contains a listing of formal sterile processing courses (classroom or on-line) which have been submitted to the CBSPD for posting. **The CBSPD is not affiliated with any of the courses on this page. The participation in these courses is optional and not the best or only means of preparation for examinations.**
3. Participate in the following:
 - Self-study courses or formal SPD training programs
 - Departmental in-service programs
 - Professional organization seminars relating to SPD topics
 - Videotape and slide presentations on related topics

TAKING THE EXAMINATION - Strict security measures are maintained throughout all phases of the examination development and administration. **All candidates will be required to present a valid government issued photo ID in order to enter the testing center.** Proctors will supervise the administration of the examination, maintaining the strictest security throughout the testing period. Irregularities observed during the testing period, such as creating a disturbance, giving or receiving unauthorized information or aid to other examinees, attempting to remove test materials or notes from the testing room, etc., may be sufficient cause to terminate candidate participation in the examination administration or to invalidate or cancel scores. Irregularities may be identified by observation or suspicion by the examination proctors or may be evidenced by subsequent statistical analysis of testing materials.

The CBSPD and the testing agency reserve the right to investigate each incident of misconduct or irregularity and will report it to the CBSPD, who will hold responsibility for final decisions on score invalidation or cancellation.

Although every attempt is made to provide a quiet and comfortable testing environment, last minute circumstances beyond our control, such as the malfunctioning of a heating/cooling system or an electricity failure cannot always be anticipated. Two of the most troublesome but unexpected distractions for candidates in the past have been temperature variations and noises. We suggest that in such instances, and if you are extremely sensitive to temperature variation or noise distraction, you may wish to bring earplugs or wear clothing that will allow you to adapt to cooler or warmer examination room environments. If the distraction becomes unbearable, we ask that you inform the proctor during the examination. The proctor, in that case, can attempt to help you or make the testing process as comfortable as possible.

TEST CENTER REGULATIONS

1. You MUST present a **VALID** government issued ID with your photo attached (i.e. passport, driver's license, military ID, or State Issued ID) at the test site before you are allowed to take the examination. No exceptions will be made. If you do not bring your valid government issued photo ID with you on the date of the exam, you will not be permitted to sit for the exam.
2. Candidates must arrive at the test center **30 minutes prior to the scheduled time of the examination.** Candidate admission will begin immediately and testing will begin at **the scheduled time.**
3. **Late arrivals at the test center will only be permitted to take the exam at the discretion of the test site proctor and subject to space availability. (NOTE: Each test center has a certain number of computers and if they are all in use you will not be able to take the exam). If the site cannot accommodate the candidate, the testing fee is forfeited (no refund). Make sure you allow enough time to get to the test site to avoid this. Candidates will only be allowed to take the examination at their assigned test center; "walk-in" candidates will not be permitted to take the examination.**
4. **For test sites outside the U.S. where paper-pencil exams may still be given,** candidates must bring two sharpened #2 lead pencils to the test center.
5. Books, papers, notes, cell phones, pagers, calculators or similar electronic devices are not permitted in the testing center. Personal property such as briefcases, backpacks, or large purses will be collected by the Proctors and returned after the testing session.
6. Visitors or observers are not allowed in the test center.

EXAMINATION SCORING AND REPORTING - The passing SCALED score is 70. An "unofficial" Pass/Fail (ONLY) indication will be given at the completion of the computerized exam for those testing in the U.S. A final official Pass/Fail notification will be mailed to the candidates in the U.S. 3 weeks AFTER the END of the exam window to allow for a quality assurance process to be performed with psychometric analysis to verify results. The examination is designed to be a minimum competency test and is not intended to distinguish scores achieved above the passing point. THEREFORE, NO NUMERIC SCORES WILL BE REPORTED FOR PASSING CANDIDATES. This policy has been established as a safeguard against misuse of the examination scores of passing candidates. Failing candidates will receive notice of their score, and a diagnostic report showing subject areas of weakness. The diagnostic information reported by content domain is provided to candidates to offer a general indication of their performance relative to the overall scaled score required to pass the exam. Pass/fail decisions are not determined using content domain-level scoring. For those candidates that are testing internationally via paper-pencil, your results will be mailed to you within 6 weeks. For security reasons, final results will not be given over the telephone or email by the testing agency or the CBSPD.

From a technical perspective: CBSPD administers standardized tests. Standardized tests most of the time exists in more than one edition. Those different versions of the test are called "**forms of the test**".

All forms of a test are supposed to measure the same knowledge and skills. Each of the forms is constructed with a different set of questions. When tests are being constructed, test developers try to write questions that have the same difficulty across different forms. Those forms are not always equal in difficulty and some forms end up being harder than others.

If the questions in one form are harder than the questions on another form, then "**raw-scores**" on those two forms won't indicate the same thing. Number Correct and Percent Correct are "**raw-scores**". The simplest way to compute a student score is by counting the number of questions answered correctly. The **raw-scores** on the two different forms won't indicate the same level of the knowledge or skill the test is intended to measure. **The scores won't be comparable and to treat them as if they were comparable would be misleading for the score users and unfair to the test-takers who took the form with the harder questions.**

If the number of questions correct "**raw-score**" is different from form to form, you might want to convert that number to a different scale. Score users need to be able to compare scores of the test-takers who took different forms of the test. Therefore, testing agencies need to report scores that are comparable across different forms of the test. We need to make a given score indicate the same level of knowledge or skill, no matter which form of the test the test-taker took. "**Scaled scores**" are the solution to the problem and are adjusted to compensate for differences in the difficulty of the questions. The easier the questions, the more questions you have to answer correctly to get a particular scaled score.

Each form of the test has its own "**Raw-to-Scale conversion**", a formula or table that gives the scale corresponding to each

possible raw score. CBSPD report scores on a 70 raw to scale score. **A scale score of 70 or above will be reported as Pass, whereas a scale score below 70 will be reported as Fail.**

*****Please note, while it is unlikely, there is a chance that your preliminary result reported and the final result reported may differ. Psychometric/statistical analysis is performed after each exam which sometimes leads to an adjustment of the scores. This is why you MUST wait for your final exam result to arrive in the mail to determine if you passed or failed the exam.***

Determining Cut Score: The purpose of the Cut Score is to determine the ability of the minimally competent test candidates for certification thus establishing the passing score.

- The Committee members take the exam which is administered via computer.
- The Cut Score meeting is performed within 7-10 days of the specific exam administration.
- After completion of the exam, members are asked to rate each examination question individually as to the average applicant's ability to answer it correctly.
- The actual test score will be set after analysis of all pertinent data by the contracted psychometrician. In addition to the committee's input such data will include:
 - a) Average educational level of candidates
 - b) Familiarity of candidates with exam taking
 - c) Anxiety and nervousness of candidates
- Passing score analysis and recommendations from the committee will be provided to the CBSPD Board of Directors for their approval.
- Once the Cut Score has been approved by the BOD, the exam can be scored.
- Exam scores from all administered exams will be utilized to maintain a current passing score.

IF A CANDIDATE RECEIVES THEIR FINAL RESULT AND HAVE FOUND THAT THEY FAILED THE EXAM, THEY MUST REGISTER AGAIN AND PAY THE ENTIRE EXAM FEE AND RE-TAKE THE ENTIRE EXAM. CANDIDATES ARE NOT PERMITTED TO RE-TEST ON THE PARTS THEY GOT WRONG ON THEIR ORIGINAL EXAM.

CANDIDATES MAY APPLY FOR AND TAKE THE EXAMINATION AS OFTEN AS THEY WISH, JUST NOT MORE THAN ONCE IN THE SAME EXAM WINDOW. A NEW APPLICATION FORM (WHICH INCLUDES EMPLOYMENT VERIFICATION) AND FEE MUST BE SUBMITTED EACH TIME THE EXAM IS TAKEN.

GROUP IRREGULARITIES: Unlike cases of individual candidate misconduct, occasionally, testing irregularities occur that affect a group of test takers. Such problems include, without limitation; administrative errors; defective equipment or materials; improper access to test content and/or the unauthorized general availability of test content; other disruptions of test administrations (e.g., natural disasters and other emergencies). When group testing irregularities occur, the testing agency will investigate and provide a report to the CBSPD. Based on this information, the CBSPD may direct the testing agency to either not score the exam or cancel the exam score. When it is appropriate to do so, the CBSPD will arrange with the testing agency to give affected test takers the opportunity to take the exam again as soon as possible, without charge. Affected test takers will be notified of the reasons for the cancellation and their options for retaking the exam.

If an exam or re-certification application is denied, or any disciplinary action is taken against an applicant, they will be notified in writing within 10 business days of the decision/action and offered the option to appeal the decision to the CBSPD Board of Directors. This appeal must be in writing and submitted within 10 business days of notification of the denial or action taken. The Board will review the appeal and provide a written decision within 10 business days of receipt of the appeal.

GRIEVANCE PROCEDURE: Any questions or comments concerning a specific exam administration or item must be put in writing and sent to the CBSPD. Comment forms are provided on the day of the exam for this purpose. Any information concerning an exam and/or its content cannot be given over the telephone by the testing agency and/or the CBSPD. All questions and/or comments must be put in writing and will be carefully reviewed prior to response.

All complaints regarding the exam administration are investigated and a response made to the candidate within 10 days. The candidate must provide their contact information in order for the CBSPD to investigate their allegations. If the candidate does not agree with the investigation's results, the candidate can request a review by the Board of Directors. Such requests must be received within 10 days of receipt of the initial response sent by the CBSPD. The decision by the Board of directors must be made within 10 working days. Their decision is final.

CHALLENGES TO SCORING RESULTS WITH COMPUTER-BASED TESTING: Any CBSPD examinee who wishes to have their score re-checked must send a letter requesting a re-scoring of their exam with: Full Name; last 4 digits of Social Security Number; exam name and date; along with a \$20 re-scoring fee to: CBSPD, 1392 US Hwy 22, Suite #1, Lebanon, New Jersey 08833. This process involves printing out the exam responses and scoring them by hand. A written report will be mailed to the examinee. Payment must be made payable to the CBSPD in the form of a money order/cashier's check. **NO PERSONAL CHECKS WILL BE ACCEPTED.** All requests for re-scoring must be made within **45** days of the exam date.

For candidates outside the U.S. who are taking paper-pencil exams, you can still request to have your examination hand scored. The request for hand scoring should be made IN WRITING TO: CBSPD, Inc., 1392 US Hwy 22, Suite #1, Lebanon, New Jersey 08833, USA. Please include your name and examination date at the top of your letter. Payment must be made in the form of a money order or hospital check to CBSPD, IN THE AMOUNT OF \$50 USD. All requests for hand scoring must be submitted within **45** days of the examination date.

CANCELLATION OF SCORES: If for any reason, an examinee decides that they do not want their exam score reported, they must:

- Write to the CBSPD requesting a cancellation of their score. The written request must be signed and received by the CBSPD **within 5 days of the exam date**. PSI proctors cannot cancel scores at the end of exams.

No refunds will be given for examinees requesting score cancellations. To re-take the exam after a score cancellation, a new application form and fee must be submitted.
